Attended Meeting of Directors of Utah Gas & Coke Company.

Atty. F. B. The general superintendent, W. J. McCormick, has arrived from Sherman, Texas, and Mr. Stephens is confident that in 10 months the company will be ready to do business. While away, Mr. Stephens visited the Milwaukee plant of which the new Salt Lake plant is to be a duplicate with improvements, and says bids are being received for the latter. The company

must have 80 miles of mains laid within two years, and it is claimed that 50 miles will have been laid by next fall; while within two years 100 miles will have been laid. The directors at Chicago elected these officers: President, Douglas Smith, vice president, George A. Snow; secretary, John A. Bryant; assistant secretary, E. Haase; treasurer, J. B. Sears; chairman of the board of directors, Granger Farwell. The other members of the board of directors are John Primley, David Mayer and Frank B. Stephens. Executive committee, Messrs. Farwell, Smith and Snow.

President Smith is head of the Liquezone company of Chicago and is a man of large means. David Mayer is senior member of the financial house of David Mayer & Co. John J. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by all druggists."

Reception Given Last Evening—An Address by Fisher Harris.

A reception was given last evening at the residence of Mrs. Kate B. Anderson in honor of the Confederate veterans and women of Salt Lake. Hon. Fisher Harris made an address on southern history, and Mrs. S. M. Day presided. A number of ex-Confederates gave reminiscences of Civil war times, and there was a musical by members of the new Euterpe club under the leadership of Mrs. Anderson, among the singers being Misses Margaret Harris, Minnie Winslow, Winifred, and Ella Dyer and Lena Rivers. Miss Winifred Dyer also gave a dramatic reading, and Miss Rivers a piano number. The dining room was decorated with Easter lilies.

## PROF. SKELTON'S PUPILS

Entertained Their Relatives at First Congregational Church.

Prof. George E. Skelton's violin pupils gave a very creditable presentation of skill to a crowded house of their relatives and friends in the First Congregational church last evening. One of the performers was only four years old, named Nettie Snedeker, who captured the audience in a way that would have pleased a professional artist. The youthful and embryo artists acquitted themselves with credit, particularly Miss Marjorie Brooks, Miss Helen Hartley, Morris Andrews, Clarence Burton and Edward Finkler. Prof. Skelton has a lot of promising material, and is getting it into good shape for active work, for the children seem to be making rapid progress. He has now enough pupils to organize a Junior Symphony orchestra.

Other details carried out the idea and the affair was a most enjoyable one, one of the features being the reading of an original 16th day poem written by Margaret Whitney, in honor of the occasion. The guests were Helen Ellerbeck, whose birthday also fell on the same day, Margaret Whitney, Hurdette Clawson, Blanche Squires, Juliet Knowlton, Lynne Knowlton and Helen Mead.
